Von hwm
Kollektives Aufatmen ist angesagt. In A LICK OF FROST zeigt Laurell K. Hamilton, dass sie allen Unkenrufen zum Trotz mehr kann als nur Softporno. Merrys Manner (bzw. ihre Bettgefährtinnen) werden im Verlauf des Buches stark reduziert und die zwei Sexszenen glücken durch Krize und Wrize. Stattdessen konzentriert sich LKH auf das Vorantreiben der Handlung. Mit seinen 275 Seiten ist das Buch zwar etwas schlank geraten, aber in ihm passiert mehr Wesentliches als in seinen 5 Vorgängern. Leider ist die Verteilung nicht optimal. In den ersten 200 Seiten dominiert das von Introspektiven geprägte, gemächliche Tempo, während in den letzten 75 Seiten ein wichtiges Ereignis das andere verlagert. Hier wäre mehr Aufarbeitung angebracht gewesen, da wirklich interessanten Themen zu wenig Zeit geschenkt wird und andere, in den letzten Merry-Büchern als wichtige Handlungspunkte herausgearbeitete Ereignisse, unter den Tisch fallen (Cels Befreiung, die Verwandlung der Goblins in Sidhe, der Juleball am Hofe Taranis). Obwohl nicht perfekt, ist A LICK OF FROST das beste LKH Buch seit langem und definitiv ein wichtiger Schritt in die richtige Richtung. Somit ist nicht nur Merry, die in freudiger Erwartung bezüglich der kommenden Bände harrt ;-)
Die Merry-Gentry Reihe: A Kiss of Shadows , A Caress of Twilight, Seduced by Moonlight , A Stroke of Midnight , Mistral's Kiss, A Lick of Frost , Swallowing Darkness ...

Princess Meredith Nic
Essus is heir to the Nighththrone, so to speak the throne of her Aunt Andais, Queen of Air and Darkness, cruel Ruler of the Unseelie Sidhe. The Dark Side of Fairy. But to win the throne she must be with child, because Sidhe seldom have children and a ruler has to prove his fertility, because if he or she isn't the whole people will be infertile, too. But her mad Cousin Cel, also in the lineage to win the throne plots evil against her, also her uncle Taranis King of light and Illusion. So her life and the life of Merrys Guards and Lovers is in constant danger. Merry has always to be one step faster than her mighty enemies. But Princess Merry is not only worried about herself. She fell in Love with Frost and Doyle, the Captains of her "Ravens", as the guards are called and doesn't want to lose them.
A Lick of Frost, 5th volume of the Merry Gentry Series is wonderful. Laurell K. Hamilton has found her way back from Merrys Bed to a fantastic written Fantasy-Fairytale for Adults. There is intrigue, there is magic, there are fights and secrets, not only, though very sexy written erotic tales of Unseelie-Sex, as I thought in Vol. 5. Frost has saved the series right in time!
This book was worth buying it. I really adored every line of it. As always it was much too short and now I have to wait for an whole year again to learn how the story ends, even if in this book, some keys to Sidhe's doors were turned for us.
0 von 0 Kunden fanden die folgende Rezension hilfreich. endlich geht es wieder voran in der Geschichte von Meredith
Von Leseratte
Nach Mistral's Kiss, das mir nicht so gut gefallen hat, hatte ich dieses Buch einige Wochen liegen gelassen. Dann aber doch rausgeholt und in einem Rutsch verschlungen. Die Geschichte entwickelt sich interessant weiter und findet nicht nur in der horizontalen Ebene statt. Ich liebe die Sexszenen, aber bei Mistral's Kiss war es doch zuviel Sex und zu wenig Handlung. Hier ist es wieder deutlich besser. Auer Cel gibt es jetzt noch einige andere, die Meredith nichts Gutes wollen und die deshalb geht es spannend weiter. Werde gleich mit Swallowing Darkness weitermachen.

Kurzbeschreibung
You know me. I am Meredith Gentry, princess and heir apparent to the throne in the realm of Faerie; one-time private investigator in the mortal world. To be crowned queen, I must continue the royal bloodline - I must produce an heir. To fail would allow my aunt, Queen Andais, do what she most desires: to place her twisted son, Cel, upon the throne of Faerie...and kill me. I am surrounded by loyal guards, my best loved - sworn to protect and to love me - yet for all our eager efforts, I remain childless. My sinister Queen and her confederates conspire against me and so my bodyguards and I have slipped back into Los Angeles. But it seems exile is not enough to escape those with dark designs upon us. King Taranis, vainglorious ruler of Faerie's Seelie court, has accused my guards of a heinous crime and asked the mortal authorities to pursue them. If he succeeds, my men will face a hideous fate. I know Taranis's charges are baseless - for his true target is me. He tried to kill me when I was a child. Now I fear his intentions are far more terrifying...
From Publishers Weekly
Princess Meredith Nic
Essus of the Unseelie Court finally reaches an elusive goal in Hamilton's seductive sixth Meredith Gentry paranormal romance (after 2006's Mistral's Kiss). Half-human, half-faerie, Meredith is a former L.A. PI whose current full-time job is trying to get pregnant trying at least three times a day, in fact, mainly with her devoted retinue of sex-starved guards to insure her ascendancy to the Unseelie throne of night. Unfortunately, her bedding schedule has been interrupted by Lady Caitrin of the Seelie Court, who claims she was raped by three of Meredith's guards. Meredith must protect her faithful retinue from the terrible wrath of her uncle, King Taranis of the Seelie Court, and defend herself from the dangerous desire Taranis harbors for her. Hamilton depicts Meredith's erotic adventures in her usual breathless, overheated style, but also reveals a deeper glimpse into Meredith's introspective side as she reflects on her favorite lover, Killing Frost, whose strange fate finds her re-evaluating the costs of being a future queen. Praise for Laurell K. Hamilton
A Kiss of Shadows
Ive

never read a writer with a more fertile imagination. Diana Gabaldon *A Caress of Twilight* Sensual, without a doubt . . . This book moves like a whirlwind. St. Louis Post-Dispatch *Seduced by Moonlight* This [faerie] society is one of the most detailed, imaginative, and lovingly drawn in all fantastic fiction, and the Meredith Gentry series has become something special. San Jose Mercury News *A Stroke of Midnight* Nonstop action . . . This book will leave you breathless. St. Louis Post-Dispatch *Mistrals Kiss* Steamy . . . will have Hamiltons fans panting for more. Publishers Weekly From the Hardcover edition.
