KurzbeschreibungA hilarious, erotic romance novel.Meet Quintessa Nevaeh James. A strong, independent, take charge woman with one small flaw, she has a habit of thinking out loud. Quint also has an addiction to shoes, that might be the reason she has no man, shes never met a man she loved more than her heels. Quint works for TGP (Thoroughly Groomed Personnel), one of the top temp agencies in New York. She is career oriented and thinks she only needs a man for the basics, which all revolve around the bedroom. Love is for suckers as far as Quint is concerned.In walks Alejandro SinJin Galliani, a successful businessman in desperate need of a temporary personal assistant. With his domineering alpha male personality Quint can tell that Alejandro is a man accustomed to getting what he wants, and he wants Quint. But this time Alejandro may have bitten off more than he can chew, while Quint is wondering if there is more to this arrangement than his need for a top notch PA?Take everyday humor and the odd things that can happen when two people fall in love, then top it off with three nosey friends, a diva Siamese cat and a witch of a boss and A Little Mini-Madness will have you wondering why everyday isnt a shoe shopping day.

ber den Autor und weitere MitwirkendeFirst, this is my dream come true. I have been blessed beyond measure and I am thankful for every moment God has given me. I love cats and I enjoy life. I was born and raised in the South. I have one brother, two sisters, a niece and a nephew, who I love very much. My mother and father have always encouraged me to do what makes me happy. I have a degree in biology and I work in a library on a college campus. My passion for reading led to finally writing my own romance novels. I have always had stories in my head, just floating around, and then one day a few years ago I finally decided to put one on paper. I also write a bit of poetry that I like to call "out of my brain on to a canvas." Strange does not even begin to wrap it up. This has been the most nerve-wracking, wonderful, crazy experience of my life. I am blessed and I could not have asked for anything more than to have a novel written, but now to have others reading my book, it is amazing. Laughter truly is the best medicine.
