Rawlings, Earl of Chillingworth and honorary Cynster who regularly appeared in all previous Cynster-novels. But while all adult Cynster males have so far accepted fate when meeting the woman of their dreams, Chillingworth is fighting his emotions for his beautiful wife. He had planned an arranged and convenient marriage and wants to stick to his principles although his bride turns out to be the most exciting woman he has ever met. Watching Francesca, the new Countess of Chillingworth, win the locked-up heart of her actually already besotted husband, could have been a pleasant entertainment for a rainy week-end. But somehow there seems to be no connection between Gyles and Francesca other than physical attraction. Consequently, the entire novel consists of nothing but love scenes, connected only by more or less unimportant parts of the story. I missed the development of a real relationship between hero and heroine. However, the love scenes are steamy and if that is all you are looking for, this novel is for you.

Band 7 der Cynsters lsst den Zauber der Vorgnger vermissen Von LoveLetter Magazin Gyles Rawlings, der fnfte Graf Chillingworth, braucht als Adeliger eine standesgema Braut. Whrend seine Freunde, die Cynsters, alle aus Liebe geheiratet haben, geht Gyles die Eheschlieung pragmatisch an. Um erst gar keine Leidenschaft aufkommen zu lassen, hlt er um die Hand einer entfernten Cousine an, die er noch nie zuvor gesehen hat. Beim Vormund seiner Zuknftigen besteht Gyles darauf, Francesca Rawlings erst vor dem Traualtar gegenberzutreten. Auf dem Anwesen trifft er gleich auf zwei junge Damen, denen er sich aber nicht zu erkennen gibt. Die scheue, unscheinbare Franni hlt er fr seine Verlobte und beglckwünscht sich insgeheim zu seiner ausgezeichneten Wahl. Die Begegnung mit einer dunkelhaarigen Schnheit dagegen raubt ihm fast den Verstand. An seinem Hochzeitstag erlebt Gyles eine Berraschung. Die leidenschaftliche "Zigeunerin" ist die wahre Francesca. Es mag daran liegen, dass Gyles nur ein Cynster ehrenhalber ist, dass der siebte Band der Regency-Reihe den Zauber der Vorgnger vermissen lsst. Diesmal bertreibt es Stephanie Laurens einfach mit den erotischen Liebesspielchen, welche die erste Romanhlfte dominieren. Sie sind zwar durchaus sinnlich, verlieren in dieser Aneinanderreihung aber auch ihren Reiz. Francesca ist sehr feurig und mit mediterranem Temperament gesegnet, Gyles hingegen ist ein khler Aristokrat. Dieser Gegensatz bietet emotionalen Sprengstoff, der sich lange Zeit nur auf krperlicher Ebene entldt. Whrend die sexuelle Anziehungskraft betrieben wird, lsst die gefhlsmige Bindung lange auf sich warten. Die Begrndung fr Gyles ablehnende Haltung zur Liebe ist relativ drftig. Auch die Auflsung mysteriser Anschlge ist ziemlich durchsichtig. Gerettet wird die Geschichte aber durch den fesselnden Schreibstil der Autorin. (TD)

Kurzbeschreibung New York Times bestselling Australian author Stephanie Laurens delivers the latest tale in the immensely popular Cynster series. When Chillingworth is elected an honorary Cynster at the end of All About Love, he knows he needs a wife, and an heir. His goal; a simple marriage without romance. He agrees to marry a woman he believes to be pliant and quiet. Unfortunately for him, the woman he thinks is Francesca Rawling is really her cousin, Franni. Francesca herself is proud, passionate and opinionated in short, the perfect bride for a Cynster....

de Gyles Rawlings, fifth Earl of Chillingworth and an honorary member of the Cynster clan, is determined not to marry for love. To that end, he makes an offer of marriage, sight unseen, to the niece of an old friend. He believes he's chosen a docile, biddable lady who will bear him an heir and leave his emotions uninvolved. He arrives for his own wedding without ever actually meeting his fiancée; and at the chapel's altar, is astonished to discover that he's offered for the wrong woman--his wife is the cousin of the woman he thought he was marrying. The two ladies share the same name, and the woman he has married is a passionate female who makes his head spin. Francesca isn't docile, certainly not biddable, and she has no intention of settling for anything less than her husband's heart. The battle lines are drawn in this war of love, with both parties well aware of the stakes. Will Giles continue to barricade his heart, or will Francesca's love and loyalty tear down the walls that keep him from her? And if Giles can't thwart the strange threats to Francesca's life, neither may live to see the end of their contest of the heart. This installment in author Stephanie Laurens's beloved Cynster series has been eagerly anticipated by fans, and All About Passion doesn't disappoint. Taut with sexual tension between the hero and heroine, rich with details of the world of Regency England, and well-supported with a solid plot, this latest Cynster tale is an excellent read. --Lois Faye Dyer.co.uk Gyles Rawlings, fifth
