Von Luccia Gray : All Hallows at Eyre Hall: The Breathtaking Sequel to Jane Eyre (The Eyre Hall Trilogy Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised All Hallows at Eyre Hall: The Breathtaking Sequel to Jane Eyre (The Eyre Hall Trilogy Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. An amazing sequel to an unforgettable storyVon ClaireI was given the opportunity by Luccia Gray herself (she is super nice and you all should follow her on Twitter - @LucciaGray) to read and review the first book of the trilogy All Hallows At Eyre Hall. Before I start talking about the content itself, let me just say that the cover is exceptionally beautiful! Im one of those people who sometimes judges a book by its cover (I know, you shouldnt, but I just cant help myself) and I fell in love with it the moment I saw it. It is perfect! (and as far as I have seen, the one for the sequel is even more beautiful *sigh*)To be honest, when I first read what the book was about, I was kind of sceptical, because Jane Eyres story was pretty much over for me and I didnt think that anyone could live up to the writing style the original has. Oh, how wrong I was. When I first started reading, I didnt think I would end up liking it that much. The first 2-3 chapters were hard to read and the constantly changing narratives kind of threw me off. But then the story started evolving and I noticed how important this aspect of the story is. I could read everyones point of view and see everything every little thing from various different angles. And I loved it! Luccia Gray managed to capture the beauty and magic of the original story and showed us how to bring back the Victorian Era ala Charlotte Bronte. It was like reading one of her novels. Many authors fail to capture this aspect, but Luccia did an amazing job. The characterization, the setting, the entire plot everything was so captivating, I simply couldnt stop reading but at the same time I DIDNT want to read because I didnt want it to end. I think Charlotte would be proud herself, for her legacy lives on in authors like Luccia Gray. This is a sequel we all deserved but didnt know we wanted. I cant wait to read parts 2+3!

KurzbeschreibungRediscover the world of Jane Eyre...Twenty-two years after her marriage to Edward Rochester, Jane is coping with the imminent death of her bedridden husband - and the revelation of his unspeakable secrets.Richard Mason has returned, instigating a sequence of events which will expose Rochesters disloyalty to Jane, his murderous plots, and innumerable other sins. Drawn into a complex conspiracy, everything Jane holds dear is threatened. Who was the man she thought she loved? What is she prepared to do to safeguard her family and preserve her own stability?KurzbeschreibungRediscover the world of Jane Eyre...Twenty-two years after her marriage to Edward Rochester, Jane is coping with the imminent death of her bedridden husband - and the revelation of his unspeakable secrets.Richard Mason has returned, instigating a sequence of events which will expose Rochesters disloyalty to Jane, his murderous plots, and innumerable other sins.
