Von Tom Bacchus : Bone: stories (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Bone: stories (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich.
WOWVon LenaRibkaThis book surprised me. Because of two -actually there are even more than two but they are the main-reasons. 1) It was first published 1994. (?!) 2) THE ONLY review on is dated 1999(?!) But my huge astonishment came later. When I had finished it.Honestly, who would expect anything else from this title and the author with such a pseudonym?!If it is a real name then I'm sorry for being rude, but I don't believe it!Well, it's a good

written collection of sexy hot gay erotica short stories, REALLY for every taste! You won't get bored, I swear. NOT suitable for reading in public. Because they are smoking HAAAAAWT. My kindle melted in my hands and it was not because of the very hot Greece sun. (Yes, I am on my holiday in Greece!) And they all had a magical SOMETHING that prevented me to classify this book JUST ONLY as a PWP. And IF I have to classify it as PWP, then for sure, it is one of the best I've ever read. And now I NEED the next book of Tom Bacchus! 1 von 1 Kunden fanden die folgende Rezension hilfreich. Hot and intelligent erotica about all kinds of guys Von Ein Kunde Variety is the spice of life. Here's some of the stories in this short "bone fiction" anthology: "Checkup" finds a doctor inspecting the narrator's anatomy. Read "Punch and Poke" and you'll never look at a boxer without thinking of cucumbers! "Kouros" and "Roar" so sincerely capture youthful lust on the track team and in summer theatre that it's a crime to call it mere porn. Other sexcapades with pizza guys, businessmen, activists and surf punks make this a collection of real characters with creative sexual desires.

Kurzbeschreibung Tom Bacchus' sexy stories, immersed in lust and passion, range from hot cop fantasies come true, to surf punk holidays with a salty splash of humor. Ghostly romances from the past, high school hunks in heat lead to reunions in leather, handcuffed to a motorcycle. Told with a lighthearted wit and admiration, Bacchus is our tour guide in the pursuit of lustful perfection. CONTENTS - Checkup - Kouros - Roar - Down to Business - Pizza Man - Barn-Door Buddies - Surf Punk Holiday - A Caravaggio in Speedos - Curve Balls - Bone - A Banner Boff - Lets Play Master and Servant - Ghost Lover - Cuffed BONE is part of a trilogy of remastered short erotic fiction by Tom Bacchus. Also, by Tom Bacchus: RAHM, POKE and Q-FAQ.
