Finally back to the roots and to what she knows best - ...Von Miki101.Micha ... - reading Death - and the poor poor souls he/she claimed. And here Tempe has a lot to work on, believe me!An "old" serial killer has finally resurfaced. Yes, an

old acquaintance our good Doctor Tempe Brennan, famous antropo-pathologist dividing her time between Charlotte/South Carolina and Quebec/Canada, has chased before. Who tried to kill her years ago - for more see Monday Mourning: A Tempe Brennan Novel (deutsch: Totenmontag ) - the 7th book of the series. Now an horrendous Catch-Me-if-You-Can game is going on right in Tempe's backyard - and she is more than motivated to stop this killer this time for good - with all her might. Because it is the most aberrant of all the crimes - preying on female young girls not even old enough to be called "teenagers" aka adolescents. Posed in a most peaceful way, it seems that the killer is joking with those who want to stop this ongoing crime spree - programmed by an highly ill-motivated mind. Tempe has to contact Ryan - her former lover - because he was deeply involved in the Monday-Mourning-case. Ryan -who himself is deeply mourning over his daughter killed by drugs and has a refuge he does not want to leave. Not even for Tempe who is flying a lot of miles to take him out of his hermitage. But things are rapidly changing. And Ryan rethinks his position - for 24 hours! In the meanwhile we learn that Tempe has other private problems. Her mother who has become a real virtual expert, is badly afflicted of a health problem - so to say. The Big C is asking for chemo, but the very beautiful elderly woman doesn't even want to hear what maybe the most helpful advices her doctors and daughters are giving to her ...Finally, with all those finely created facts and a lot lot more, the author Kathy Reichs has been able to create an atmosphere of tension - also because one little girl is still missing right at the beginning. And missing are a lot of facts, too. About the most recent past of the obviously returned killer. And the steps which and where the culprit has taken and why coming to Tempe's doorsteps - before all? All those questions - and a lot more - will be answered in the most thrilling way. Twists and turns are included. Logically Tempe has a bunch of able and well-known investigators to help her. But the showdown will be between her and the killer - and some new and very very refreshing "element" - from which I really want to read more in the future books ...Welcome back - Tempe Brennan!

Ch Lanz Ich bin Kathy Reichs Fan - klar . . . . trotzdem haben mich einige der letzten Bones Sequences nicht vom Hocker gehauen, bzw. in groen Abschnitten gelangweilt. Gott sei Dank haben mich die "Virals" ber die Durststrecke getragen - zudem gefiel mir die Kurzstory "Bones in her pocket" so gut, dass ich hoffte, auch mal wieder mit einem Voll-Buch Voll-Reichs Gefhl zu bekommen. Das ist jetzt passiert ! ! ! Die Durststrecke ist vergeben und vergessen - Kathy Reichs is back at her best. Spannende Handlung; Tempo und Spannung von Anfang bis Ende; Wort- und Situationswitz; natrlich viele medizinische und chemische Details; Personen mit Tiefgang und glaubhafter Charakterisierung; Links zu fr Stammleser bekannten Orten in ertrglichem Ausma; wie immer endet jedes Kapitel mit einem Cliffhanger, der einfach zum "umblttern" zwingt - kurzum: Kathy Reichs wie man sie kennt und liebt ! Wer Kathy Reichs noch nicht kennt, kann direkt mit diesem Buch anfangen Fan zu werden. Innerhalb einer so langen Sequenz es immer noch zu schaffen, ein vllig in sich abgeschlossenes Buch - ohne Notwendigkeit von Vorwissen bei der Leserschaft - abzuliefern, der versteht sein Handwerk wirklich aus dem eff-eff ! Wer Kathy Reichs kennt und mag, kommt an diesem Buch eh nicht vorbei. Und dann zum Schlu noch der Oberknaller, mit dem wohl kein Stamm-Fan-Leser wirklich noch gerechnet hat . . . . Nun beginnt leider die lange Wartezeit bis zum nchsten Brennan / Ryan Sequel - da bleibt fr mich nur zu hoffen, dass das Warten durch einige Virals und / oder Bones Kurzstories verst

werden wird.
