A super HOT read!Von blufame2000This is erotica at its best -- with hot nubile characters, a nice plot to keep the action going, and the best part of the book -- great, provocative, totally HOT gay sex. i applaud jay russell for using asian and black characters and infusing them with the sexiest traits ever seen in contemporary gay erotica. thanks jay, and pls give us some more!

Kurzbeschreibung Hard-boiled, hard-bodied black British private eye Alton Davies can't believe his eyes or his luck when he finds muscular African-American gangsta rapper Banji-B lounging in his office early one morning. Alton's disbelief - and his excitement - mount as Banji-B asks him to track down a stolen videotape of a post-gig orgy in which his homeboy, the notorious laydeez man Karamel, plays a starring and revealingly man-pleasing role. Alton has just twelve hours to catch up with the thief: exotic dancer Champain Blue. And while the rappers cruise the London streets in their twenty-foot Caddy, hungry for sex and distraction, Champain keeps one well-lubricated move ahead of an increasingly stretched and desperate Alton. The tension is mounting as time - and Karamel's reputation - ticks away.
