**Von Sherrilyn Kenyon : Born Of Silence: Number 5 in series (League Series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Born Of Silence: Number 5 in series (League Series):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Couldn't stop readingVon reggie007Darling's story kept me reading at every free minute. A complex installment with a reappearance of most protagonists of the previous installments. The book offers a roller coaster of emotions, not always

easy to read, but absolutely worth it. I can only recommend the book. 1 von 3 Kunden fanden die folgende Rezension hilfreich. Worst book ever Von Sunne Worst book ever... I bought it as an audiobook because I really like the narrator and I have read the previous books and found them - if not special - at least entertaining. Wow - this is her momentary peek of tortured men... I mean, is SK even able to write other characters than tortured beyond anything imaginable? If you thought Acheron was tortured - think again - Darling Cruel can top this... especially when he is imprisoned by his fiancée's men and gets... uh... no, I'm not explaining everything here... while he hears her talking outside. So - it took me weeks to get through because I wanted to be able to write an honest review (not the kind of "it's terrible, I couldn't read it"-kind). I was only able to listen about half an hour/day - otherwise the sheer simplicity, annoying stupidity, cruelty and the repetition of patterns was too much. So - I think Zarya is my new "worst heroine" ever - she is not only simple minded (I couldn't find anything in her that even qualified her as leader of the Resistance), she is incompetent, too. Most disgusting trait has been her feeling of being mistreated by Darling and his friends after they had found him and imprisoned her. Not to mention a whole nation of idiots who all changed their opinions like the wind, a family who ignored, accused and mistreated Darling for their own reasons and never even bothered to check or explain. Darling himself - well - sorry, but even he is not human, he must be superhuman to still love all the people who misjudged, mistreated and used him. Mrs. Kenyon - this is just too much... Only positive aspects in the book had been that later we at least get with the involvement of the Sentella some of the funny banter SK books are known for. And I'm in love with the "gay" best friend... he was the only bright spot in the book. But I think if I never hear the phrase "How could he (not)..." or "How could she (not)..." again, it wouldn't be too soon. First in the 3rd Nick-book and now in this one, too.

**Kurzbeschreibung** The second most infamous member of the shadow organisation called Sentella, Kere, an explosives engineer, is known for striking terror in the hearts of all enemies. The bounty on his head is truly staggering, and no one outside the Sentella knows his real identity. Zarya Starska grew up hard on the back streets of hell. Labeled a traitor because of her father's political beliefs, she dreams of a different life and a different world. A world where the harsh hand of the Caronese government doesn't destroy the lives of its citizens. As a resistance leader, her goal is to topple the government that took her father's life, along with her mysterious right-hand man, known only as Kere. But Kere has a dark secret. He's out for revenge for past crimes against his family, and plans to annihilate all those he feels guilty, along with every resistance member he can find . . . including Zarya. **Pressestimmen** "Kenyon boldly goes where no author has gone before and claims yet another genre as her own. With her League series, she has created a new, addictive universe and proven herself the undisputed master of the cross-genre novel." **Publishers Weekly** "[A] publishing phenomenon... [Sherrilyn Kenyon is] the reigning queen of the wildly successful paranormal scene." **Publishers Weekly** "Kenyon's writing is brisk, ironic, sexy, and relentless imaginative." **Boston Globe** "Kenyon delivers the goods readers have come to expect, and more." **Booklist** **Pressestimmen** A publishing phenomenon... [Sherrilyn Kenyon] is the reigning queen of the wildly successful paranormal scene **Publishers Weekly**
