Von Ed James : Bottleneck (DC Scott Cullen Crime Series Book 5) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Bottleneck (DC Scott Cullen Crime Series Book 5) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Sad this is the last so far!Von Beverley TarryHaving enjoyed the first book in this series,which was a free download, I was

hooked. I then ordered the set 1-4 and book 5 before having finished book 1. The books got better and I spent each spare moment reading till I finished them all, not something I would normally do! Generally I would read a "chick" book in between, but not this time! Cannot wait for the next in the series, or even the new series Ed has stated he is writing. I am now a hooked fan - keep them coming!

great book - you've got to love DC Cullen
Von P.Schmidt
A story about bands on their way up (anybody who played in a band will be able to relate to the atmosphere of this book. Aaaaand as always a classic DC Cullen, struggling with his private life and his career. Not in a run-down Rebus way but in a "growing up and finding your place in society" way.
0 von 0 Kunden fanden die folgende Rezension hilfreich. Another exciting Cullen story
Von Celtic-Ivy
This book is really enthralling and entertaining. Couldn't put it down. As Scott Cullen addict I'm looking forward to every new book of this series. I'm hoping you got lots more ideas for new stories. Keep them coming.

Kurzbeschreibung
Classic Scottish noir: bad food, bad moods, too much booze and tight plots @ey0k1, Twitter
The best yet five-star review
Perfect for fans of Ian Rankin, Ed McBain and Christopher Brookmyre, Bottleneck sees the return of Acting Detective Sergeant Scott Cullen, in the gritty and hard-hitting Scottish police procedural series that has set the bestseller charts alight. Things are finally going well for ADS Scott Cullen. Hes just moved in with his girlfriend and, thanks to a merger at work, the promotion he craves is almost in reach. Just so long as he can keep out of trouble
Then the severely decomposed body of a man is found amid the labyrinthine alleyways of Edinburghs Old Town; he has a screwdriver through his heart. The investigation leads Scott to unsettled scores in the music industry, where bands and their bitter rivalries might just have turned murderous. Suddenly things arent looking so good. Cullens relationship takes an alarming turn, just as the unsolved case begins to weigh heavily on him. Scotts maverick tactics have helped him in the past, but will they come back to haunt him and put others in danger?
Loved, loved, loved this book
Annie, five-star review
Plenty of police, plenty of procedure! A brilliant story of detection, politicking and a bit of the relationship stuff rolled up beautifully into this exciting and readable book
PC Jameson, five-star review
Ed does a superb job of holding his audience with some real gritty stories
Alan Chapman, five-star review
From the very first page to the very last page you are hooked
Lynsey, five-star review
Thrilling
Brian Norman, five-star review
It has all of the qualities of a Rankin or Rebus novel but with a fresh approach to the seamier side of Scotlands great cities
Chevin, five-star review
