**Von Jan Bowles : Bought for the Billionaire's Bed [Guilty Pleasures 2] (Siren Publishing Everlasting Classic)**

before purchasing it in order to gage whether or not it would be worth my time, and all praised Bought for the Billionaire's Bed [Guilty Pleasures 2] (Siren Publishing Everlasting Classic):

Kundenrezensionen Hilfreichste Kundenrezensionen 1 von 1 Kunden fanden die folgende Rezension hilfreich. a short/love/sex story not more, not less... Von Magritte I really enjoyed the first part of this series by Jan Bowles. All of

them are short stories with a heavy erotic touch but also some insight of the characters. I enjoyed that. This book is the second part of the series.- In Debt to the Dom [Guilty Pleasures 1] (Siren Publishing Classic)- Bought for the Billionaire's Bed [Guilty Pleasures 2] (Siren Publishing Everlasting Classic)- Tamed by the Dom [Guilty Pleasures 3] (Siren Publishing Everlasting Classic)- Love Slave to the Sicilian Billionaire [Guilty Pleasures 4] (Siren Publishing Everlasting Classic)- Claimed for the Master's Pleasure [Guilty Pleasures 5] (Siren Publishing Everlasting Classic)Plot: Mia Johansson is a young woman, working at a dry cleaning in order to earn her life after she finished her art studies. When her boss can not go to a charity event featuring some works of arts she would like to see, she steals a ticket, "borrows" a dress and goes. When the young Swedish beauty meets there Trent Mavers both are irrevocably attracted to each other and end up in bed. The next morning she flees, hoping to remain a pleasant memory to him and not the disappointment she really is. On the way out she rips the dress... an error she will pay dearly. Trent is used to get what he wants and it is her he wants, so she follows her, saves her and wants to keep her. How will she be able to pay him back? Sadly this book is just a nice love/sex story exactly what one expects in a 93 page story. Discovering the 2 main characters is secondary, or they simply are very shallow characters. I did enjoy the first book much more. I just regret that this is just what one expects a typical short story. Maybe I am a bit harsh, but I've read so much, that I was sad to read an average story. The idea is simple, the execution is good but not extraordinary, it is a nice simple love story with some hot sex. Enjoy the read MBTM
