KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. good read but i wouldnt read it again!Von Ein Kundeplot:jethro has loved alissa the first day they've met and now she needs his help. she needed a husband in order to inherit an estate and thinking that jethro has no money, alissa offered to pay him money in exchange for a husband. what she didnt know, was that jethro is a ruthless millionaire business man. its a good read but like i said, its not something that i wouldnt read twice. it didnt just appeal to me. the hero and heroine doesnt have much chemistry and the plot was kind of weak.

Kurzbeschreibung Jethro Cole had loved Alissa Brannan at first sight-but, wary of men, she'd proved extremely elusive...until the day she needed his help. Thinking he had no money, Alissa offered him a temporary marriage of convenience so she could comply with the conditions of her uncle's will. Little did Alissa know that Jethro was a ruthless millionaire businessman, who was determined to have her in his life-and his bed-forever...
