Von Alexa Snow, Jane Davitt : Bound and Determined (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Bound and Determined (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 1 von 1 Kunden fanden die folgende Rezension hilfreich. Wow - very good Sub/Dom story Von Sunne Such a strong story - wow. I'm very cautious with Sub/Dom books, I don't like them in general. They need to make me believe that the power balance is given, then I can get lost in it, too. This book is ...beautiful. It has two very strong MCs and the exchange is portrayed in a way that made me forget that I'm reading a book. I was disappointed when it ended, not because of the book but because I wanted to stay longer, much longer. It

is an exceptional good book that I'll reread surely. This book shows in a very delightful way that there is sooo much more to Sub/Dom relationships than 50 Shades of Grey. Owen takes his responsibility very serious, he finds out about Sterling's hang ups, he takes care in every way and he wants his boy to speak his mind when necessary. He is not trying to push him further and further but to provide what he needs. Yes, a very good book. Additionally the emotional side of the relationship is shown in a subtle but obvious way, to my delight not in the cheesy "woman writes gay romance"-way but obvious without the constant verbal affirmation. Okay..I'm babbling...I'm still on my own personal "book-high".

KurzbeschreibungGenre: BDSM LGBT Erotic ContemporaryWhen Sterling Baker discovers the wonderful world of BDSM, he's ready to literally throw himself at the feet of the spectacular Owen Sawyer, but Owen is unwilling to take on someone so new to the scene so he says. Determined to get what he wants, Sterling sets out to convince the doubting Owen that he can be the best sub in the world, the fastest learning, the most obedient. It's not as easy as he thinks it will be, and things get even more complicated when Sterling realizes that he's fallen in love with Owen. With the stakes that much higher, Sterling's more determined than ever to win Owen over. But now he'll have to convince Owen they can have more than a teacher/student relationship, more than just good kink. Publisher's Note: This book contains explicit sexual content, graphic language, and situations that some readers may find objectionable: Anal play/intercourse, BDSM theme and content (including/not limited to bondage, gag, flogging, spanking, wax play), exhibitionism.
