Von Judith Michael : Deceptions (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Deceptions (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Ein toller Roman, der eigentlich fr jeden etwas hat!Von HeikeDas erste Buch von Judith Michael, das ich in der

Originalfassung gelesen habe. Ein wundervoll spannender Roman, diese ausführliche Beschreibung der Charaktere und der Schauplätze, die oft schnell, aber nachvollziehbar wechseln. Man ertappt sich oft dabei, schon vorzublättern, weil man wissen will, was noch passieren wird. Eigentlich hat dieses Buch für jeden etwas, es ist Liebes- ebenso wie Gesellschaftsroman und durch geschickte Einflechtungen von einigen Begebenheiten sowohl in Sabrinas als auch Stephanies Leben entwickelt es sich zudem noch als Krimi. Neben einer tollen Liebesgeschichte - nämlich der von Sabrina und Garth - skizziert das Buch gekonnt das Leben der Zwillingsschwestern Stephanie und Sabrina von der Kindheit bis in die Gegenwart - so lebendig, als wäre das alles wirklich geschehen. - Mittlerweile habe ich begonnen, die Fortsetzung "A Tangled Web" zu lesen und bin schon gespannt, wie die Geschichte ausgehen wird! Wer das Buch schon in der deutschen Übersetzung gelesen hat, sollte sich die Mühe machen und unbedingt auch noch das englische Original lesen, denn ich habe festgestellt, da die deutsche Ausgabe ("Die Zwillingsschwestern") sehr stark (um mehr als 70 Seiten!) gekürzt wurde!

Von Ein Kunde
The husband and wife writing team of Judith Michael have produced certain popular novels which are NOT the typical, superficial, and forgettable reads that flood the market. Although in "Deceptions", they do lure readers with a soap opera plot (twins switching places), and the reliability of glamorous and exotic locations such as London and China, the authors have included sharp and witty insights and observations in several of the novel's scenarios. We learn about the strong bond between identical twins, Sabrina and Stephanie, and how they developed into two different women leading two different lives. Thankfully, this is not a good twin/evil twin plot. We become immersed in Sabrina's exclusive world of London high society, antique dealerships, and exquisitely designed townhouses. Her more brazen personality allows her to survive quite nicely and make astute dealings among London's elite. Stephanie lives more obscurely in a small university town in the States with her professor husband, Garth. Their domestic, suburban life with their two children and supportive neighbors is surprisingly realistic and at times endearing. The major premise is that the sisters tire of the complications in their lives and decide to switch places. The novel is well structured as the reader flows from Stephanie's adjustment to Sabrina's jet-set life while Sabrina brings her strength and determination to life as a suburban professor's wife. "Deceptions" is definitely escape literature, but an intelligent read. If you enjoy reading good descriptions of the finer things in life and excellent character development, this book comes highly recommended!

1 von 1 Kunden fanden die folgende Rezension hilfreich. One of my favorites
Von Ein Kunde
I'm usually only into classic-type books... "Watership Down", "Les Misérables", etc. I had never read a Judith Michael book before, but got laid over in an airport and bought it in the bookstore. Well, it is now one of my all-time favorites, and I've read it a million times. I would recommend it to anyone.

Kurzbeschreibung
"Deceptions" weaves the spellbinding tale of identical twin sisters who dared to exchange lives. A smashing New York Times bestseller from Judith Michael. In a glittering world of lazy luxury, Sabrina reigns supreme. Invited to the most elegant parties, pursued by the most desirable men, she yearned for something more. . . . Her twin, Stephanie, is safely married with two adorable children and has everything in life that Sabrina lacks. But Stephanie longs to live like her rich and carefree sister. Changing places was to be their little secret. The game was never meant to get out of control. Neither of them dreamed how easy it would be to get lost in a maze of deceptions. . . .
