Preston Child gelesen und werde bestimmt auch das nächste kaufen. Hoffnungsvoller neuer Autor.0 von 1 Kunden fanden die folgende Rezension hilfreich. Thumb down! Von DemuliThe begin was Kind of mysterious, but then it turned boring..lack of spirit and ended with abruptly sinking of the Platform and the Heros just got rescued from air. How the friend inspector got there whilst all the time he could not reach the Journalist hero via his cellphone nor he knew the whereabouts of his journalist friend, were secret remained for Imagination.This are not the usual excitement reading one will get from the super duo writers. I had not read the book 3 and thinking severely to drop it.. stay better on Aloysius's adventures.1 von 4 Kunden fanden die folgende Rezension hilfreich. Deep Sea One Von Susanne WischinskiIch würde dieses Buch meinen Freunden empfehlen, weil es anregend, spannend und flüssig geschrieben ist. Man ist von der ersten, bis zur letzten Seite gefesselt

KurzbeschreibungAfter barely escaping the perilous expedition to the Antarctic to locate a WW2 Nazi Ice Station Dave Purdue once more elicits the help of historian Dr. Nina Gould and award winning investigative journalist Sam Cleave. When the maintenance submersible from Purdues oil drill, Deep Sea One, goes missing off the coast of Scotland in the North Sea, he discovers the wreck of a sunken WWII German submarine beneath. Inside, Purdue, Sam and Nina find an ancient book containing various ciphers and clues implicating the location of one of Hitlers most sought after relics, the legendary Spear of Destiny. With Purdues new and mysterious bodyguard, Calisto, they hire a guide and set out to the breath taking beauty and danger of the mighty Tibetan Himalayas to seek out a shrine mentioned in the antique book. They manage to obtain an important clue before having to escape the wrath of the mountain shrines guardians. When unexplained freak storms start to plague the offshore oil platform, some of the crew fear that something ancient and powerful is at work. The discovery of an antique Roman chest reveals what Nina, Sam and Purdue may have been looking for, but is it the real thing or is it a decoy? While examining the artifact, Nina realizes that there is much more to the legendary sovereignty of the Spear and the real reasons why Hitler coveted it. But with the British Secret Service infiltrating Purdues consorts and the notorious Order of the Black Sun making their appearance, there is another kind of storm brewing on the horizon. A menacing and primordial tempest from obscurity is creeping over the North Sea to engulf Deep Sea One. Deep Sea One leads the reader on a roller-coaster ride in search of a legend. Packed with breathtaking suspense and nerve-shredding action, Deep Sea One is a thrilling read for all fans of action, suspense, and intrigue. A word from the author: Hello and thank you for your interest in my book. It has come to my attention that some people have been mistaking my books for those written by the famous author duo Douglas Preston and Lincoln Child. This is not the case. I wish to clarify that I am not, by any means, related to Douglas Preston or Lincoln Child, Lee Child or any other author called Preston Child. I hope this clears up the confusion.
