KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. ZuckersVon daxie1968Lucy Valentine ist zurck und versucht sich im neuen Zweig(Find old loved ones...)des

Familienunternehmens (Heiratsvermittlung) zu behaupten. Sie hilft auch erneut der Polizei eine verschwundene Person wiederzufinden und in ihrem Privatleben tut sich so einiges. Die aus Band 1 (Truly, Madly) liebgewonnenen Charaktere tauchen alle wieder auf, und sorgen auch dieses Mal für einige Überraschungen. Heather Webber kann gut schreiben und zeichnet die Charaktere sehr liebevoll. Man sollte jedoch grundsätzlich romantische Bücher und Liebesromane meiden, sonst fühlt man sich dieser Serie nicht wohl. Die Charaktere sind sehr gut gezeichnet, die Story jedoch ist teilweise zum Haare raufen und so zuckers, schon richtig klebrig. Es ist sehr schade, dass H. Webber die Nina Quinn Serie wohl nicht fortsetzt, sie war erheblich besser als die Lucy Valentine Bücher. Dem vorliegenden Buch habe ich gerade noch so 3 Sterne gegeben, eben wegen der Charaktere.

Kurzbeschreibung The irrepressible star of Truly, Madly, is back in business. This time, Lucy Valentine will go to the ends of the earth to find true love for her clients and maybe even herself. Lucy wants to breathe new life into her family's Boston-based matchmaking company. But how? Even though she comes from a long line of ancestors blessed by Cupid with psychic abilities, a freak accident left Lucy with only one special skill: finding things. Car keys, socks in the dryer, needles in haystacks...and now, in a stroke of professional genius, lost loves! It's not long before Lucy's on a winning streak, helping old flames reunite and create new sparks. Business is booming. But when Lucy finds herself involved in a possible case of murder, she realizes she's in too deep. Enter Sean Donahue. Lucy's handsome fire-fighter turned private-eye neighbor, Sean is just the man she needs to help her on the job. Could he also be the man she's been looking for all along? When it comes to Valentine, Inc., falling in love is always serious business.
