**Von John Ringo : Islands of Rage and Hope (Black Tide Rising Book 3) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Islands of Rage and Hope (Black Tide Rising Book 3) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. As bad

as the fourth one Von A.F.H. Tintenkrieger Islands of Rage ... very true. The rage the reader feels when he is dragged through yet another exchangeable zombie killing massacre by Miss Super Hero. Btw, if American tanks and helos are such crappy piles of junk that they need a full maintenance circle right after sitting around for a couple months you should consider buying German articles of war. We certainly don't have any trouble starting our stuff if it's been closed down for a year. Rarely been bored in such a way by a Zombie apoc story filled with more blood n guts than anything else. 0 von 0 Kunden fanden die folgende Rezension hilfreich. awesome! Von Barkeeper Third Book of the Series and no slacking off there, going on at the very same fast pace, the most joyful reading. Surely as good as Mr Ringo's other series.

**Kurzbeschreibung** **BOOK 3 IN THE BLACK TIDE RISING SERIES FROM THE NEW YORK TIMES BEST-SELLING AUTHOR.** Sequel to *To Sail a Darkling Sea* and *Under a Graveyard Sky*. With the world consumed by a devastating plague that drives humans violently insane, what was once a band of desperate survivors bobbing on a dark Atlantic ocean has now become Wolf Squadron, the only hope for the salvation of the human race. Banding together with what remains of the U.S. Navy, Wolf Squadron, and its leader Steve Smith, not only plans to survive he plans to retake the mainland from the infected, starting with North America. The next step: produce a vaccine. But for do that, Wolf Squadron forces led by Smith's terrifyingly precocious daughters Sophia and Faith must venture into a sea of the infected to obtain and secure the needed materials. And if some of the rescued survivors turn out to be more than they seem, Smith just might be able to pull off his plan. Once more, exhausted and redlining Wolf Squadron forces must throw themselves into battle, scouring the islands of the Atlantic for civilization's last hope. At the publisher's request, this title is sold without DRM (Digital Rights Management). About the Black Tide Rising Series: "Not only has Ringo found a mostly unexplored corner of the zombie landscape, he's using the zombie frame to tackle a broader theme: the collapse and rebirth of civilization. The zombie scenes are exciting, sure, but it's the human story that keeps us involved. A fine series." Booklist About *Under a Graveyard Sky*: Ringo combines humor and horror in this strong series debut, the thinking reader's zombie novel.
