**Von Jim Kokoris : It's. Nice. Outside.: A Novel** before purchasing it in order to gage whether or not it would be worth my time, and all praised It's. Nice. Outside.: A Novel:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. A Book to Embrace!Von pmhIt's one of these oh-so-rare book gems you have to read by yourself to understand why it is so precious. The writing is perfect, and I fell head over heels in love with the characters, especially the storyteller himself, his unique son and the Three Bears. Believe me, you'll get something very important for yourself out of this

book, as it makes you think and feel lots and deeply.

Kurzbeschreibung Meet John Nichols. He's 50-something years old, an ex-basketball player, ex-author, ex-philanderer, ex-husband, ex-high school English teacher. And he's father to three: two overachieving adult daughters, and 19 year-old Ethan, who will never be an adult. John's oldest daughter is getting married, and as the whole family travels from their homes in New York and the Chicago area, John is secretly preparing for a life-change that will alter his family's hearts forever. In this laugh-out-loud, heartbreaking, generous family novel, Jim Kokoris returns to the heartfelt writing of *The Rich Part of Life*. *It's Nice Outside* explores that universal tension between being a parent and keeping true to yourself. *Pressestimmen* Heartwarming and hilarious, "It's. Nice. Outside." is a tender and entertaining family story about what threatens to break us and what it takes to endure. Jim Kokoris's new novel is a rollicking read about love and devotion. "Lee Martin, author of the Pulitzer finalist, *The Bright Forever*" Jim Kokoris's heart-warming novel of a man coping with his beloved and disabled son moved me from tears to laughter. Kokoris tells the story with humanity, humor, and most of all affection. "It's. Nice. Outside." moves beyond stereotypes to show how we are all capable of love, and being loved. I. Love. This Book. "Sandra Dallas, New York Times best-selling author" Mr. Kokoris's beautifully rendered tale about a family ripping out their historical seams and patching themselves together the best they can in the confines of mini-van during a life-changing road trip had me enthralled from the first page to the last. Heartbreaking? You bet. Hilarious? Absolutely. Loved it! "Lesley Kagen, New York Times bestselling author of *The Resurrection of Tess Blessing*" Jim Kokoris dispels the myth that male writers cannot adequately portray women or tell family stories with sensitivity. Honest, funny, and brilliantly written, "It's. Nice. Outside." will break your heart-and mend it. This book will remain one of my all-time favorites. "Sandra Kring, author of *Carry Me Home* and *The Book of Bright Ideas*" "It s. Nice. Outside." is a book that you can t stop reading. . . If you ve ever spied a harried father shepherding an adult child with exceptional needs, and wondered what that man s life might be like, this book will tell you... riveting... seesaws on an issue all too real for parents like Kokoris." "--Chicago Sun-Times" Heartwarming and hilarious, *It's. Nice. Outside.* is a tender and entertaining family story about what threatens to break us and what it takes to endure.
