A joy to readVon Ein KundeDerek Stillman was trying to enjoy his honeymoon, but still worried about the family advertising business while he was away. Derek's brother Jack is temporally running the firm in his usual lackadaisical way. Jack

expects an IRS auditor, but instead Alex Tremont, Director of marketing and sales of Tremont Enterprises arrives. Jack mistaking Alex for the IRS and blows the account with his bum-like attitude. However, he gains a second chance when Alex's father insists on a formal meeting to fulfill a promise he once made. The next day, Jack dresses to kill and with the help of his football past wins the account. Alex's dad assigns her to work with Jack on the ad campaign. As they work in close proximity, they fall in love. However, she is not only engaged to another management official, but Alex's goal of impressing her father is in jeopardy. IT TAKES A REBEL is an enjoyable contemporary romance. The story line is fun as Jack and Alex battle one another to gain an edge on each other. Readers will bond with hunk Jack and admire Alex. Jack's new office assistant Tuesday Humphrey adds Chutzpah and humor to the tale, while another secondary character deserves having Stephanie Bond telling her story. Jack Stillman is not only a UK football hero with women and fans hanging on his every word, but he is a rebel to the bone. He rebels against the past sports hero image of going pro or sports anchor. He rebels against a desk job at the family advertising business. He rebels against creating a home base. Some of his of "rebel" style is rubbing off on his new boss-- straightlaced and by the book Alex Tremont. There is an interesting side story about the father/daughter relationship. Well done. This romance has you from the time they strut their stuff to the gates, as they race down the track, and finally their love blooms in the circle of roses. [no wide-brim hats, PLEASE]

Kurzbeschreibung Bad boy Jack Stillman loves a challenge and sexy workaholic Alexandria Tremont is turning out to be a big one! Still, he's sure that one dose of the Stillman charm will have Alex out of the office and into his bed! Alex Tremont has never met anybody so infuriating, so stubborn so outrageously irresistible as Jack Stillman. But with her career on the line, not to mention a fiance pushing to set the date, Alex really shouldn't be appreciating Jack's antics, in the boardroom or in the bedroom. Then again, she'd had no idea how closely they'd be working. But could she trust her sexy rebel not to sweet-talk his way out of her life as easily as he'd charmed his way into it? Autorenkommentar I hope you enjoy this sexy romantic comedy! IT TAKES A REBEL is the sequel to ABOUT LAST NIGHT... In this book, the prodigal brother Jack Stillman comes back to run the family business while his brother goes on a month-long honeymoon--and digs himself into a hole the size of the Grand Canyon! This carefree bachelor has to turn into Mr. Corporate overnight in order to save the family business that's in the hands of an iceberg disguised as a beautiful heiress. These two clash in the boardroom AND in the bedroom! I loved writing this book because Jack is such a delicious bad boy who finds his comeuppance in the heroine, Alex Tremont. And the story is set in Lexington, Kentucky, where I lived for several years before moving to Atlanta. I hope my comedy gives you a few hours of fun and romance!
