**Von Sabrina Stark : Jaked (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Jaked (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Jake und LunaVon MinelliIn den ersten 50% des Buches wei man im Prinzip nicht was los ist. Man kann sich vieles denken, aber man bekommt nichts besttigt. Dadurch, dass die Geschichte von Luna erzählt wird wei man genau so viel wie sie und das ist fast nichts.Jake ist hot und offensichtlich unbesiegbar. Ich dachte eigentlich, dass er whrend der Geschichte mal seinen Meister trifft, aber offensichtlich ist er der Meister.Das Hoch und Tief in der Beziehung von Jake und Luna

wurde auf die Dauer etwas anstrengend. Von den expliziten Szenen war ich enttäuscht. Der Mann ist so heiß und dann kriegt man nur was lauwarms hingeworfen. Hmpf. Das Buch endet mit vielen offenen Fragen, so dass man das zweite selbstverständlich sofort danach liest...

**Kurzbeschreibung Jake Bishop Can Take a Punch, But Can He Take a Girl Like Luna? Top 100 Book from USA TODAY Bestselling Author Sabrina Stark:** For way too long, Jake Bishop has been Luna Moon's ultimate fantasy, a bad boy brawler with a wicked reputation. Lucky for Luna, she's finally wised up to the truth. Jake's too wild, too reckless, and too far out of her league especially now that he's rich, famous, and too hot for any one girl to hold. A digital celebrity and trouble-maker incarnate, Jake goes through girls the way some guys go through bottles of booze. Luna, a college grad whose fortunes are flaming out fast, has two jobs, one psychotic ex-boyfriend, and zero interest in repeating past mistakes. From now on, she's determined to play it safe. No more bad boys. No more drama. And no more crushing on the likes of Jake Bishop. There's only one problem, Jake. One morning, he shows at Luna's place, uninvited, to turn her life upside down. But why? To help her? To hinder her? Or to settle a score long overdue? No matter the reason, Jake Bishop is in for a big surprise, because this brat from his past is all grown up and capable of bringing the baddest of bad boys to his knees. A full-length novel, this new adult best seller is the first in a completed three-book series.

ber den Autor und weitere Mitwirkende USA TODAY Bestselling Author Sabrina Stark writes edgy romances featuring plucky girls and the bad boys who capture their hearts. She's worked as a fortune-teller, game-show contestant, barista, science writer and alas, jobs that required a hairnet. She has a journalism degree from Central Michigan University and is married with one son and two kittens. She currently makes her home in Northern Alabama.
